Same

I commit to doing this one thing to add more joy to my life...

I commit to doing this one thing to add more joy to others' lives...

**Amy Leneker, MPA**  
**Leadership Development Consultant**  
**I help leaders and teams discover their True North.**

**COMMITMENT AND EXPERIENCE**

I am known for my trusted advice, my proven track record for delivering results, and my optimistic attitude. With over 20 years of experience leading teams, I understand the opportunities and challenges leaders face.

**AREAS OF EXPERTISE**

- Leadership Development
- Team Development
- Employee Engagement
- Leadership Transitions
- Organizational Conflict
- Facilitating Executive Teams

**CLIENTS**

- State Government Agencies
- City Governments
- County Associations
- Non-profit Boards
- Higher Education Institutions
- Private Sector Companies

**Team Development**

I specialize in helping teams achieve results by working well together. I conduct cultural assessments of teams and provide data-driven recommendations to leaders for action.

*I have a proven track record for helping leaders and teams thrive.*

**Facilitation**

Through dedicated time upfront, I gain clarity on what success looks like and facilitate toward achievement. I support and guide the development of mission, vision and values and how to make those real in an organization.

*I've planned and facilitated hundreds of meetings and retreats for executives, leaders and teams.*

**Trainings and Workshops**

I'm a Certified Trainer and have designed and delivered training to thousands of leaders and practitioners. I'm well-versed in adult learning theory and am masterful at making training both relevant and memorable.

*I offer customized training and facilitation to fit your specific needs as well as ongoing trainings and workshops.*

**Coaching**

I coach executives, leaders and teams to gain clarity and achieve results. With a strong reputation as a confidential and trusted advisor, I have been asked to coach leaders at all levels.

*As a Certified Mediator I help leaders and teams manage organizational conflict.*
